

Nurture

NEWSLETTER

Month: November

We have had a busy month in Treetops!

- The children enjoyed creating the 'earth' biscuit and welcoming in parents/carers to our afternoon tea.
- We have been playing a range of group games, including 'I spy', 'pass the compliment', snap and pairs. The children have enjoyed these and are beginning to independently play these during own learning time.
 - We have used regular mindfulness activities such as yoga and deep breathing exercises.
- As part of the Year 2 topic, we have been learning about the layers of the ocean and the meaning of 'Bioluminescence'.
- We had an afternoon for show and tell, the children listened carefully to one another, showed interest and asked questions.

Our emotions this month are:

- Angry
- Fear
- Disgust
- Surprise

Our social scripts this month are:

- I think I need a break.
- I feel _____.
- I am sorry that I _____.
- Can I have a turn please?

We went on an 'I spy' nurture walk! **We found 32 red cars** and the kind barber at The Cutter Barber shop let us look in the shop where it was built of horsehair and poop!

Dates for the diary:

- Wednesday 4th December - we will be visiting a local café.
- Monday 16th December - Meeting with parents via telephone/zoom. (A Parent mail with further information will be sent out).
 - Wednesday 18th December - Nurture Christmas celebrations.
- We will send you further information on these events nearer to the time.

Nurture Staff & Further Information

Class Teacher: Miss Paige Hewett

Nurture assistants: Mrs Sally Dukes and Miss Natalie Grant
