

Nurture

NEWSLETTER

Month: October

We have loved welcoming the children into Treetops. We spent the first two weeks settling in, sharing the areas of the classroom and routines. We have played lots of games and used circle time discussions to get to know one another. The children have all expressed they are enjoying Treetops, and we hope you are hearing lots about it at home too! This is our first newsletter, and we will send one home at the end of every month to update you on our time in Treetops and any diary dates!

Our emotions this month are:

- Happy
- Sad

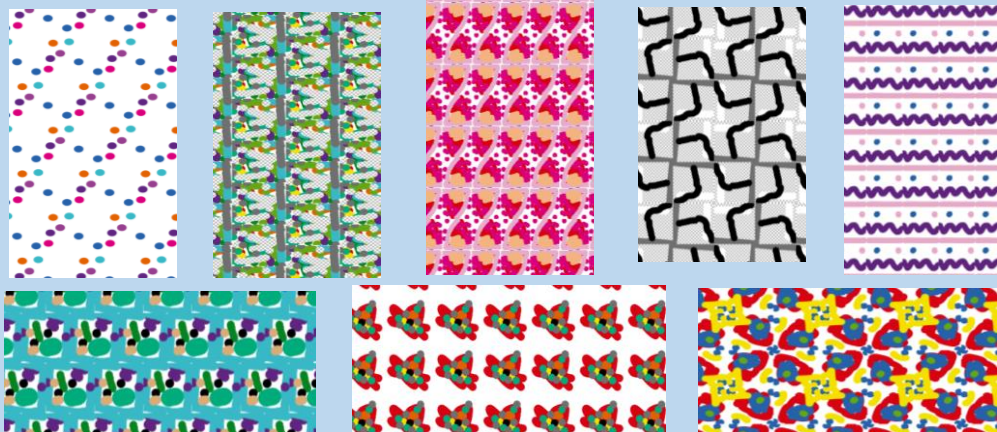

Our social scripts this month are:

- Hello. How are you?
- I need help please.

The children have loved using Purple Mash to create a range of pictures linking to different artists! You can always try this at home too!

Dates for the diary:

- Wednesday 13th November - we will be holding a parent/carer afternoon tea with the children in Treetops. The children will create and send out invites after half-term. Please be aware this is for one adult and the timings will either be 2-2:25 or 2:30 - 2:55.
- Tuesday 26th November - we will be going on a walk; this will either be around our local area or to our local library.
 - Wednesday 4th December - we will be visiting a local café.
 - Wednesday 18th December - Nurture Christmas celebrations
- We will send you further information on these events nearer to the time.

Nurture Staff & Further Information

Class Teacher: Miss Paige Hewett

Nurture assistants: Mrs Sally Dukes and Miss Natalie Grant
