## NEWSLETTER

Month: January

The start of the Spring Term has been a busy one. The children were excited for the show and tell afternoons to discuss what they had been up to over the Christmas break. We have also visited Lolo Café. They were very accommodating and friendly. The children had the best time looking at the menu, ordering a hot chocolate and discussing the money they needed. This visit connected to the mathematics learning of money into a real-life experience. We have been completing daily sensory circuits which the children have enjoyed. We have discussed the importance of having calming time throughout the day as it allows our bodies to rest, recharge and enables us to think about how we are feeling.
