Month: February

This month has been our last month in Treetops. A big thank you for attending our nurture celebration.

We know the children are feeling a mix of emotions leaving Treetops and so are the adults!

However, after February half-term we will be checking in with the children, popping into classes and asking Year 2 to support us with some activities with our Year 1 group.

The children have made lovely friendships and good relationships with our nurture staff. We are so proud of all of them and hope they use the strategies and tools to continue to support them in their future!

### Our emotions this month are:

- Worried
- Disappointed

### Our social scripts this month are:
