Month: May

This month has been as busy and exciting as ever!

We embarked on a wonderful adventure to Stevenage Old Town, where the children worked in pairs to complete an "I Spy" checklist featuring various landmarks. Everyone walked carefully and listened attentively throughout the outing. Back indoors, the children have been having great fun with our new car mat, creating beautiful patterns using colourful gems, and expressing themselves through painting.

We're incredibly proud of the progress each child has made and are excited to spend our final term with them starting after half-term. We hope you all have a lovely break!

Our emotions this month have been:

- Frustrated
- Worried
- Disappointed

Our social scripts this month have been:

- I am feeling frustrated.
- I feel _____ . Please can you help me.
- I am sorry that I _____ .

Dates for the diary:
