

Nurture

NEWSLETTER

Month: September

We have loved welcoming the children into Treetops. Over the first two weeks, we focused on settling in, sharing the different areas of the classroom, and establishing our daily routines. The children have thoroughly enjoyed exploring the variety of resources available to them.

It has been wonderful to see the children engaging with one another, playing collaboratively, and expressing their creativity through their activities.

This is our very first newsletter for the year, and we plan to send one home at the end of every month.

We will keep you updated on our time in Treetops, share exciting moments, and inform you of any important diary dates.

We have had many discussions and played games focused on exploring a range of emotions. The children impressed us by being able to list a wide variety of different feelings!

Our weekly social scripts will begin in October!
