NEWSLETTER

Month: January

As we come to the end of our Year 2 Nurture classroom journey, we want to say how incredibly proud we are of all the children and the progress they have made. It has been wonderful to see their confidence, self-esteem and resilience grow, and especially lovely to watch the friendships that have formed along the way.

We have had a fabulous time getting to know each child, both individually and as part of the group, and it has been a real privilege to support them on their journey. We will continue with check-ins and small-group activities up until February half-term. After half-term, we are looking forward to welcoming our Year 2 children back to answer the Year 1s' questions and show them around the Nurture classroom. Later in the summer term, we will be holding our much-loved Treetops celebration in school, bringing together both Year 1 and Year 2 children to celebrate their achievements.

A huge thank you to all the adults for your continued support; joining our afternoon teas, sharing lovely photographs and comments for our Show and Tell, and for the wonderful messages for Treetops. Your involvement has made this experience even more special for the children. Your child should have brought home a certificate, report and photographs to share with you, we hope you enjoy celebrating their successes together.

We are still here to support you and your child, so if you ever need assistance or guidance, please do not hesitate to contact us via our nurture email. We would also really appreciate it if you could take a few moments to complete our survey linked below. Your feedback helps us continue to improve our Nurture provision.
